(*You may attach additional sheets if necessary.*) Describe "outstanding service to Alma Mater." Differentiate between a single event and accomplishment versus tenure of service. Attach supporting documentation from an "outside" source, including dates of service. Describe how the service has impacted the RAA in a positive way.

■ **Non-alumni**

Non-graduates of Rutgers have received the Award, but the nomination process included a broader scrutiny of even more objective and subjective information about the candidacy. Does the candidate have a Rutgers "soul"? Describe "outstanding service to Alma Mater." Differentiate between a single event and accomplishment versus tenure of service. Attach supporting documentation from an "outside" source, including dates of service. Describe how the service has impacted the RAA in a positive way.

■ **Employees of the University**

Individuals employed by Rutgers have rarely been given the recognition (status as RAA constituents notwithstanding) because past committees believed it necessary to maintain a broad distinction between voluntary service and work which might be considered adjunctive to professional responsibility. The Committee continues to believe that this distinction is valid and fundamental.

Describe "far and above the normal professional responsibilities of the office or position." Differentiate between a single event or a accomplishment versus tenure of service. Attach supporting documentation from another source, including date(s) of service. Indicate how the service has impacted the RAA in a positive way.
